Invitation

The Drama therapy Institute AEON, created in 1991, offers a four years master program in Drama therapy education.

We invite Dov Blum-Yazdi to give a two days seminar for our students with his Leelah Drama therapy approach on 7 and 8 September.

We appreciate his work with a deep theoretical background and a very creative practice.

Sincerely
Stelios Krasanakis MD

Psychiatrist-Dramatherapist-

Lecturer in National and Kapodistrian University of Athens-Theatre
Director
